Gayle Porster
Technical Training
Specialist

The State Purchasing Division (SPD) is pleased to announce that Gayle Porster has joined the Team Georgia Marketplace project as a Technical Training Specialist. Gayle continues as a member of the Professional Development Business Unit within the Knowledge Center of SPD where her responsibilities were that of a Procurement Training Specialist. Her years of experience working at SPD as a Training Specialist enhances and complements the skills of the Team Georgia Marketplace project team and brings background information and continuity to the learning process for the State's Procurement Professionals.
